“A good read for any major IT (information technology) project, not just SAP.”

Ian Ward, SAP Practice Manager, DynPro, Inc.

“Just read it! This is to SAP implementation as The Goal is to manufacturing.”

Dave Bright, Vice President, Manufacturing, Reichhold

“Great job! I really do know more about SAP and enterprise automation from reading the book.”

Richard A. Martin, Tinwisle Corporation

“I really like the real-world perspective given by Billy’s experience. It tracks very closely with my own.”

Jake Simons, Georgia Southern University

“I like the approach of weaving a case study into the fabric of the tutorial. Great Work!”

Al Segars, Senior Research Scientist, IBM
